What the industry is saying...

"The R200 systems are very popular with our customers especially the CAN-based systems which are very easy to install. It's a pleasure to work with people who have incredible technical expertise and an eye for customer requirements"

Ingo Berberich, Technical Director, Mobilcenter Zawatzky GmbH, Germany

"The Lodgesons R200 range offer an unrivalled quality of product combined with good technical support. This is why we choose only to offer the Lodgesons wireless keypad controls on our installations"

Jeff Gosling Hand Controls - The UK's leading manufacturer of driving adaptations

"The R200 is the most reliable and highest quality system available on the market"

Geir Stokker, Product & Training Manager, ETAC, Norway
